WHO ARE WE LOOKING FOR?

- Engineering students
- Cybersecurity students
- Artificial Intelligence (AI) students
- Business Management students

Jet

Bachelor of Engineering (Honours) Chemical Engineering

“

I joined the programme to explore telecom, understand its value to Malaysians, observe its economic impact, and with an entrepreneurial mindset, gain insights into business operations

“

Nicholas

Undergraduate Student from University of Sussex

I have gained a deeper understanding of the business model within a telecom company, exploring various departments in a corporate environment. I now possess a solid comprehension of how telecom companies operate.”
