Sejarah Kolej Kediaman Tun Ahmad Zaidi

Kolej Kediaman Tun Ahmad Zaidi (KKTAZ) atau lebih dikenali sebagai Kolej Kediaman Kesepuluh (KK-10) merupakan salah sebuah kolej kediaman yang berada dalam kawasan Universiti Malaya. Kolej Kediaman Tun Ahmad Zaidi memulakan operasinya pada 1 Jun 1997. Namanya diambil sempena nama Gabenor Negeri Sarawak pada masa itu, iaitu Allahyarham Tun Datuk Patinggi (Dr) Haji Ahmad Zaidi Adruce bin Muhammad Nor.

Pembinaan Kolej Kediaman Tun Ahmad Zaidi meliputi kawasan seluas 6.6 ekar. Kos pembinaan kolej adalah RM15 juta di mana Kerajaan Negeri Sarawak menyumbangkan RM 10 juta manakala kos selebihnya ditanggung oleh Universiti Malaya. Jumlah in termasuk kos pembinaan, peralatan dan kos khidmat.

Konsep seni bina dan warna yang dipilih adalah berdasarkan kepada tema negeri Sarawak. Atap yang berwarna hitam mendapat inspirasi daripada ciri-ciri atap beling belian dan dipadankan dengan cat merah untuk menunjukkan simbolik peninggalan warisan negeri Sarawak.

Kolej ini terdiri daripada satu blok pentadbiran dan empat blok penginapan. Blok Pengurusan terdiri daripada Pejabat Pentadbiran Kolej, Kafateria, Bilik Muroh, Bilik Mesyuarat, Bilik Seminar, Bilik Persidangan, Bilik Bacaaan, Bilik Solat, Kedai Runcit, Kedai Telekomunikasi, dan Kedai Fotokopi. Blok kediaman pula terdiri daripada Blok A, Blok B, Blok C, dan Blok D. Ciri unik blok kediaman terletak di tingkat tiga setiap blok yang mempunyai beranda yang disokong oleh tiang, keunikan ini sama seperti sistem struktur yang terdapat di rumah panjang Sarawak. Terdapat dua jalan untuk menuju ke arah blok kediaman iaitu melalui jalan bertangga yang menerusi bangunan utama atau melalui jalan berturap.

History of Tun Ahmad Zaidi Residential College

Tun Ahmad Residential College or more commonly known as the Tenth Residential College is one of the residential college within the University of Malaya campus. Tun Ahmad Zaidi Residential College started its operation on 1 June 1997. It took its name after the state Governor of Sarawak at that time, namely Allahyarham Tun Datuk Patinggi (Dr.) Haji Ahmad Zaidi Adruce bin Muhammad Nor.

The construction of Tun Ahmad Zaidi Residential College covered an area of 6.6 acres. The cost of construction was RM15 million in which the State Government of Sarawak donated RM10 million while the rest of the cost, which was RM5 million, was borne by University of Malaya. This amount included the cost of construction, equipment and consultation fee.

The architectural concept and colors chosen are based on the theme of the state of Sarawak. The black roof tiles get its inspiration from features of belian shingles roofing and are matched with red paint to symbolize the heritage of the state.

The college consists of one Administration block and four 4-storey residential blocks. The Administration building houses the College Administration Office, Cafeteria, Muroh Hall, Meeting Room, Seminar Room, Conference Room, Reading Room, Praying Room, Sundry Shop, Telecommunication Shop, and Photocopy Shop. The residential blocks consist of Block A, Block B, Block C, and Block D. The unique feature of the residential blocks lies in the third storey of each block that has a verandah supported by pillars similar to the structural system found in Sarawak's longhouses. As there are slopes between the administration and residential blocks, covered walkways with stairs are constructed to link all the blocks. Each block is accessible by road too.
